GLISTEN[®]
PROJECT SOLUTIONS PVT LTD

About Us

✓ Incepted in the year 2011, by a team of highly qualified technocrats with a vast experience in Electronic System Design & Sales in Techno-Commercial field and other Industries as well

✓ Specialize in providing the full turn-key solution for manufacturing of electronic Sub-assemblies incl. Mechanical works, Wiring, testing and full Functionality Integration of the system for in-house or third party across India managing dedicated teams of highly skilled technical professionals to augment your requirements

✓ Our Presence

- Corporate headquarters in Bangalore
- Deploy resources pan India

✓ Our teams are comprised of the highest caliber of Techies and Sr. Engineers well versed in Industrial standards, best practice methodologies

MISSION & GOAL

- We are :

A Project Firm, offering complete range of value-added design services for OEM customers ranging from contract design to original product design to original design manufacturing of Electronic systems.

- Our Mission :

To partner our clients in creating differentiators for their business through innovative use of technology and talent

- Our Goal :

To become your long term, trusted Business development partner. Our teams become an extension of your own in-house team, dedicated to meeting your Technical, manufacturing development needs today, and growing with you as your needs evolve

Design and Engineering Approach as..

We compile, generate and document the various technological and engineering aspects of Products. This document can be used to Manufacture and Production of Electronic Systems

The documents contains,

- System Requirement document
- Design and Development Plan
- Design Description Document
- Hardware Configuration Plan
- Design Test Procedure & Report
- Test Plan
- Quality Assurance Plan
- Declaration of Performance
- Bill of Material
- Schematic design entry
- PCB Design and Analysis
- Circuit simulation details

The document also includes, mechanical packaging drawings, process documents for assembly and testing, Acceptance test plan (ATP), De bug and diagnostic test plan and product installation drawings

SERVICES

Electronic Assembly & Cable assemblies

- Electronic and Electrical Design for Industrial Instrumentation and Automation.
- Electric wiring and Harness assemblies.
- Software and Hardware Testing
- Mechanical Works
- Full Functionality Integration
- Service and Maintenance

Test

- Test requirement and Development Plan
- Test Plan, Coverage and tester requirements
- Board level Bring up and Debug
- Debug Failures System level.

Cabinets & Racks

- BONs, Racks construction and Mechanical integration.
- Integrate Racks in Mobile Shelter station, wiring and testing.
- System integration and full ATP execution.

Support Services

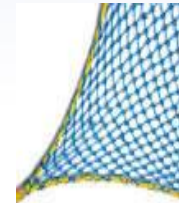

- On Platform /On site installation.
- Commissioning
- Maintenance and Service. (ASP)
- Technical Support

PRODUCTS & SERVICES

CHEMICAL, DUST, FIRE, HEAT, NBC AND ARC FLASH PROTECTION CLOTHING

PRODUCTS OFFERED :

- *Limited Use Clothing*
- *Chemical Protective Clothing*
- *Heat Resistant Clothing*
- *Fire Fighting Suits*
- *Arc Flash Suits*
- *Body and Arm Protection*
- *Body protective harnesses*
- *Safety nets*
- *Hydrant parts*

FIRE EXTINGUISHERS

Fire Extinguishers Sales, Installations,
FIRE ALARM AND DETECTION SYSTEMS (Sales, Installations)
CONVENTIONAL AND MICROPROCESSOR BASED INTELLIGENT
FIRE HYDRANT SYSTEMS
AUTOMATIC SPRINKLER SYSTEMS
MEDIUM AND HIGH VELOCITY WATER SPRAY SYSTEMS
-CO₂ FLOODING SYSTEMS.
CLEAN AGENT GAS BASE SYSTEM

PRODUCTS & SERVICES

FIRST AID KITS AND EMERGENCY RESCUE PRODUCTS

- Industrial First Aid Kits as Per Factories act and ANSI Standards
- Rescue Stretchers
- AED Defibrillators

SAFETY CANS AND CABINETS

Utility Products , Drum Equipments,
Environmental Products , Corrosives,
Safety Cabinets for Flammables.

EMERGENCY KEY BOX

PRODUCTS & SERVICES

WATER PURIFIER

- Safe drinking water solutions
- Construction of swimming pool and AMC
- Softener expert

WE NEED MORE THAN
1000 LITRES OF HIGH
QUALITY FILTERED WATER
EVERY DAY FOR HEALTHIER
LIVING

PRODUCTS & SERVICES

CANON PRINTERS

- All type of printers
- User friendly
- Savings on power
- Economy printing rate technology
- Easy to operate
- Cost effective
- Safe to use
- Service and maintenance free

PRODUCTS &
SERVICES

TRAINING AND DEVELOPMENT

- Corporate level trainers Courses

- Software Testing

- Skill Development

OUTSOURCING and MAN POWER

- Skilled hands on job
- Accuracy in executions
- Cost effective
- Company you can trust for quality of work
- Execution within stipulated time

PRODUCTS &
SERVICES

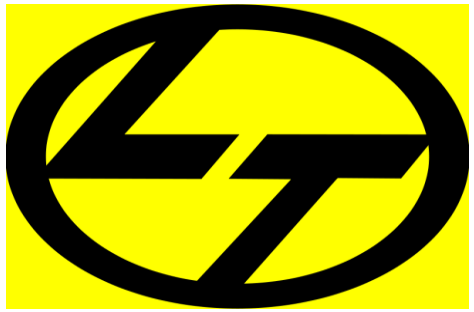

ELECTRICAL AND ELECTRONICS

➤Electricals and Electronics
